COLLECTION

ENJOY THE SHOW

An investment in quality & comfort will increase your profits. Octane VIP seats deliver a first class viewing experience that will thrill your audiences, produce loyal repeat customers, and increase your concession sales.

FEATURING

Over 35+ styles with full customization.

Incredible comfort for an incredible experience.

Quality standards designed to exceed your expectations.

Seat accessories that enhance the viewing experience.

Comprehensive hands-on assistance from start to finish.

POWER HEADREST (HR) SERIES

This series features dual independent motors – a power headrest and power recline. Your audience will enjoy supportive relief for any head and neck stress, along with achieving that perfect viewing angle when reclined to their desired position.

CONTOUR HR Series

CURVE HR Series

DREAM HR Series

FLASH HR Series

FLEX HR Series

GRAND HR Series

MEGA HR Series

PILLOW HR Series

WAVE HR Series

Fewer seats have actually earned us higher profits. We weren't the first theater to switch over, but we're glad we made the transition. Octane was a great partner helping throughout the entire process.

Flex HR Series | Dillon Black Upholstery

POWER LUMBAR & HEADREST (LHR) SERIES

The LHR Series features three independent motors—a power lumbar system, power headrest and power recline. These models provide pure total body wellness & relaxation by relieving muscle fatigue along the lower lumbar, head and neck areas. VIP seating at its best!

AZURE LHR Series

CONTINENTAL LHR Series

STRATA LHR Series

ZONE LHR Series

If you're seeking a truly best in class experience for your guests, then our LHR Series is the ultimate choice. Three high quality independent motor systems will ensure a viewing experience like no other, leaving your audience feeling refreshed, renewed and relaxed.

Octane provides theater and auditorium seating for high profile venues around the globe. Our seats are meticulously designed with the best and most durable components. Best of all, they are very easy to care for and maintain over time.

“ We decided to outfit one of our auditoriums with loveseats as a premium attraction for our guests. Since the first day it’s been a smashing hit with attendance at levels we haven’t seen in a long time.

SIGNATURE SERIES

This Series offers a large selection of impressively styled full sized, standard and space saving models all designed for a premium viewing experience. Features include taller seat backs and overall body comfort, with custom options and a large selection of seating accessories.

VIPER Series

WE TAKE COMFORT SERIOUSLY

Your guests should always enjoy the best seat in the house. To ensure this, our VIP seats include the following premium components:

- ★ A soothing layer of gel infused memory foam as a seat topper
- ★ Individual pocketed coil springs inside the seat core for unparalleled seat ride and comfort
- ★ Premium high density & resiliency foam for full body support
- ★ Soft and durable fabrics specifically designed for heavy use environments

“ Our concession sales have significantly improved our bottom line. These tables and cupholders hold a lot of items, which have increased our average food order per seat. Our customers feel at home and really want to enjoy themselves at the theater.

THE OCTANE DIFFERENCE

We take pride in what we do and it shows, as our furniture looks just as good on the inside as it does on the outside. We pay great attention to the details, ensuring our seats are made to last. We don't make ordinary furniture, we make Octane furniture.

AFFORDABILITY

Luxury doesn't have to be above your budget. We offer fair pricing for a quality, durable & comfortable product.

QUALITY

Our frames use thick kiln-dried plywood, solid steel & whisper quiet German motors. Our furniture is built to last.

COMPONENTS

We include a gel infused memory foam topper, individually wrapped pocketed coils, high density foam core & more.

FEATURES

Enjoy power headrests, power lumbar, tray tables, service call buttons, USB ports & more. The options are endless.

SELECTION

Over 35+ models with designs that are time tested and approved. All are fully customizable to your needs.

EASY MAINTENANCE

Our models offer removable upholstery covers, lift up seats for easy cleaning, and an incredible modular construction.

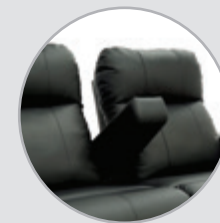

VIP SEATING ACCESSORIES

Octane Seating ensures your guests are not only comfortable, but surrounded by luxuries that makes them feel at home. Large tray tables, cupholders and service buttons will maximize your concession revenues.

WOODEN ARM CAP

SERVICE CALL BUTTONS

MULTI-CHAIR OPEN CLOSE SYSTEM

LED LIGHTING OPTIONS

VIP SEATING CONSTRUCTION

Our movie loungers are designed to last and impress. Don't just take our word for it - our methods, systems, and components tell our story.

UPHOLSTERY OPTIONS

We offer a large selection of durable & high quality upholstery options to satisfy your design requirements.

ADA ACCESSIBLE SEATS

Our models offer optional lift up end arms that are specifically designed for ADA accessibility.

INDIVIDUALLY WRAPPED POCKETED COILS

Placed inside the seat core, our seats will never lose their shape and provide the ultimate comfort story.

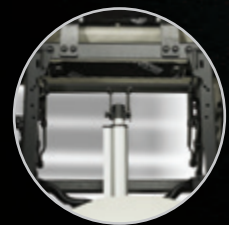

PREMIUM HIGH DENSITY & RESILIENCY FOAM

Ensuring longevity, our premium foam with a memory foam topper provides incredible overall body comfort.

SOLID STEEL & KILN DRIED PLYWOOD FRAMES

With a combination of metal and kiln-dried plywood our frames are made to outlast the competition.

GERMAN MOTORS

Best in class motors that are whisper quiet and smooth for the ultimate in effortless power recline.

EASY TO INSTALL & MAINTAIN

Time is of the essence to clean up and prep between shows. Having a pristine environment is not only expected, but makes a lasting impression with your guests. You need a solution that makes cleaning and maintenance a breeze.

FLIP UP SEAT

Simply lift up the seat cushion for quick and easy cleaning & vacuuming under the chair. No tools necessary.

QUICK REPAIRS

All electrical wiring is located in the arms. Lift up the arm cap by removing two screws, easily accessing and quickly fixing any electrical issues.

REMOVABLE COVERS

Quickly remove upholstery covers or replace padding with our easy Velcro™ system. Your seats will always feel and look their best at a minimal cost.

MODULAR CONSTRUCTION

Our seats are purposely designed so that setup is fast. The modular nature of our seats makes installation simple and quick.

COMPREHENSIVE ASSISTANCE

Our team will provide comprehensive hands-on assistance with the design, planning, manufacturing, installation and after-sales maintenance. Our seats are designed to enhance your profitability, bring in repeat customers, and set you up for success.

FEATURING

Design and layout services catering to your specifications.

Assistance with planning of your project, from start to finish.

Seats are custom built in a timely manner to your preferences.

Comprehensive installation services to maximize efficiency.

After sales maintenance with a dedicated team for ongoing support.
