

In the box:

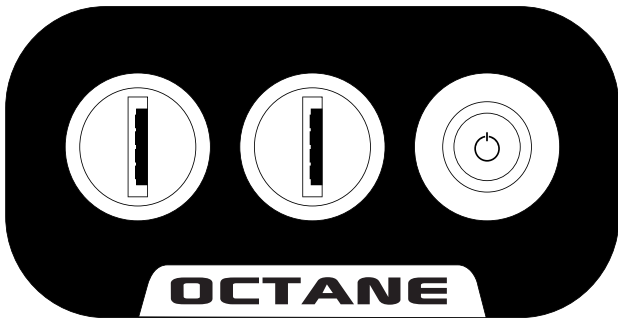

1. Cuddle Couch
2. 5 Accent Pillows
3. 5 Feet

You will find 5 pre-drilled threaded holes on the base of the couch, where you can screw in the feet.

To power on the couch, please plug it in.

On the inside arm of the couch you will find the power switch.

Once plugged-in you will be able to utilize the 2 USB ports to supply power to your electronics.

The button is used to activate the LED lighted cupholders and baserail.
